About Us

A legacy of high-quality products.
Pride in our American manufacturing.

Unker's Therapeutic Products is a family-owned and operated manufacturer of multi-purpose topical salves and sprays. Our formulas use just a handful of simple ingredients to relieve muscle aches, joint pain, colds, coughs, and more, and have been loved by customers for over 40 years.

Unker's began in 1982 in a garage in Wapakoneta, Ohio, and was originally sold door-to-door in Ohio, Indiana, Pennsylvania, and the surrounding Amish communities. Today our products are manufactured in Upton, Wyoming, and enjoyed by thousands of customers around the world.

We have a legacy of being a faith-based business that values American manufacturing, creating American jobs, and the uncompromising quality of our products.

We sincerely hope you enjoy the benefits of our products and thank you for supporting our family-owned business.
