# About Us

## Unker's Therapeutic Products

Unker's Therapeutic Products is a topical pain relief brand that manufactures its products with natural ingredients in the United States of America.

The product line includes Unker's Therapeutic Rub, which provides temporary relief from minor aches, pains, colds and coughs, and Unker's Therapeutic Spray, which offers a higher concentration of relief in a liquid form that absorbs quickly.

Unker's began in 1982 in a garage in Wapakoneta, Ohio and was originally sold door-to-door in Ohio, Indiana, Pennsylvania, and the surrounding Amish communities.

For over 40 years Unker's has been family owned and operated, and prides itself on creating high quality products with natural ingredients in the United States. We have a legacy of being a faith-based business that values American manufacturing, creating American jobs, and the uncompromising quality of our products.

Today our products are manufactured in Upton, Wyoming, and enjoyed by thousands of customers around the world.

# Our Products

## Unker's Therapeutic Rub

Unker's Therapeutic Rub is the original product formula made with a USP Grade Snow White Petrolatum Base, that helps temporarily relieve muscle aches, joint pains, sinus pressure, colds, head aches, coughs and more.

Ingredients: USP Grade Snow White Petrolatum Base, Menthol Crystals, Pure Essential Oils: Eucalyptus, Wintergreen, Pine Needle Oil, and Camphor

## Unker's Therapeutic Spray

Unker's Therapeutic Spray is a higher concentration of the formula in a liquid base without Petrolatum, for faster absorption and deeper penetration. In addition to the spray, this formula also comes in a roll-on applicator for on-the-go convenience.

Ingredients: Pure Essential Oils: Eucalyptus, Wintergreen, Pine Needle Oil, Camphor, and Menthol Crystals
